SPRAYING BEYOND YOUR PROPERTY Reports have been received of individuals applying chemical sprays to areas outside their property boundaries, including roadsides and neighboring properties, in efforts to control noxious weeds. This has resulted in unintended damage to resident plants. Please be advised that spraying is ***only allowed on your own property.*** **Contact the City BEFORE spraying anything outside your property, so we may coordinate with the Weed District to get the job done.**

FIRE SEASON JUST AROUND THE CORNER!

Please take time to mow regularly, clear vegetation around structures, and remove flammable materials from around your home and property.

This month, the City will be conducting fire hazard sweeps throughout the community. Properties with weeds or grass exceeding 10 inches will receive courtesy notices as a reminder to maintain fire-safe space around your home. Fire risk continues to increase each year in our region, and we take fire safety seriously.

VOLUNTEERS NEEDED FOR BUDGET TIME!

No prior experience is required — just an interest in helping Grass Valley adopt a budget for the upcoming year 2026-27.

APRIL IS THE START OF GROWING SEASON IN OUR AREA

Tips:

- Clean up garden beds, remove debris, and add compost to enrich the soil.
- Plant hardy vegetables like peas, spinach, lettuce, radishes, and onions
- Start seeds indoors for warmer crops.
- Keep mulch around plants to retain moisture and regulate soil temperature.
- Be ready to cover tender plants on cold nights
