August Gardening Tips:

- Pick vegetables regularly to encourage continued production
- Water in the early morning deeply to help plants handle the summer heat.
- Add mulch around plants to conserve moisture
- Remove spent flowers to keep annuals blooming.
- A great time to sow cool-season crops like spinach, lettuce, radishes, and kale for a fall harvest.
- Keep an eye out for pests, and begin planning your fall garden while enjoying the fruits of your hard work.

Helmet Safety Reminder

As more children enjoy riding bicycles, e- bikes, and e-scooters this summer, please remember to **wear a helmet every ride**. A properly fitted helmet is the best protection against serious head injuries. **Parents, thank you for helping keep Grass Valley's children safe!**

Oregon law requires all riders under the age of 16 to wear an approved helmet while riding. Need a helmet? Sherman County EMS has new bicycle helmets available for local children while supplies last. Call 541-565-3100

We're All in This Together

Wildfires are burning throughout our region, including here in Sherman County. Thankfully, Grass Valley has been spared so far.

Please continue to maintain your property by removing dry grass, weeds, and other combustible materials. **When using equipment such as lawn mowers, string trimmers, chainsaws, or other machinery, use extra caution. Hot, dry and /or windy conditions can allow a single spark to ignite a wildfire.**

Whenever possible, complete outdoor work during the cooler morning hours, keep a water source or fire extinguisher nearby. Thank you for doing your part to help keep Grass Valley safe this fire season.

Have You Considered Serving Your Community?

The filing deadline for the **November City Election** is almost here! Serving as **Mayor or a City Council member** is a meaningful way to give back and help guide the future of Grass Valley. You don't need to have all the answers—**just a willingness to listen, learn, and work with others for the benefit of the community.** If you'd like to learn more about the responsibilities of these elected offices or how to become a candidate, please contact City Hall before the filing deadline of August 25. We encourage anyone with an interest in serving their community to consider running for office. 541-333-2434 (leave a message if not during business hours)
