MARCH 2022

FROM YOUR CITY COUNCIL:

WELCOME NEW COUNCILMEMBER!

The City of Grass Valley would like to WELCOME newly appointed Member, Joe Danielson to the City Council! The City appreciates Joe stepping up and assuming this position!

WASTEWATER SYSTEM

The recent Community Outreach Meeting was a great success! The Council would like to say THANK YOU to each and every one of you who came out to the Meeting, and those who joined online. Missed it? Check out our Facebook Page for the Live replay! We will also try to get it uploaded to our Webpage soon.

If you have any input, questions, comments, concerns or would just like to discuss this matter further, plan to attend any upcoming City Council Meeting! The Council welcomes all guests!

EASTER EGG HUNT – SUCCESS!!

Grass Valley's Annual Easter Egg Hunt was held in the Park/Pavilion on April 9th and once again, was a huge success! Unfortunately, due to the increasing winds however, the Bouncy Houses had to be postponed. They will be coming to the park in the near future in conjunction with the Farmers Market! Don't miss out! Come down, get your shopping in and let your kids enjoy the fun!

A LETTER FROM YOUR MAYOR:

Dear fellow Grass Valley Residents,

I hope everyone is able to get out and enjoy the warming weather as we ease out of winter and into spring.

During this time, I ask that we all keep each other in mind as fellow neighbors, you know the #1 rule "do unto others..."

The City and County provide recycling of many plastics, tin, glass and cardboard as well as burning or mulching of yard debris. Mr. Grzeszczyk, City Maintenance Manager, has done a great job of providing marked areas to dispose of all our yard debris at the recycling/burn pile.

Please limit burning in your barrels to personal mail/papers etc. It is against City Ordinance (and rule #1) to burn caustic materials or leave a burn barrel smoldering.

On the topic of burning, if you must burn, please be careful and follow posted burning rules. It is very easy for a small fire to get out of control and quickly escape your yard. We rely strictly on volunteers for our fire suppression and though they are highly motivated and well-trained individuals, it takes time to gather and dispatch a fire crew.

In closing, get out, enjoy the nice weather, and our town!

If anyone has questions about when or how to safely burn, there are notices in the Post Office or you can contact City Hall (541) 333-2434.

All ordinances are posted online at www.grassvalleyoregon.com

PROPERTY CLEAN-UP

It has been brought to the attention of the City Council that there are various residences around town that have excess garbage and "junk" piling up, as well as overgrown vegetation and unlicensed vehicles. Ordinance 400 Section 2 prohibits nuisances affecting public health, which includes the accumulation of garbage.

The City Council asks all residents to please inspect their properties and remove anything that is in violation of City Ordinances.
