e-mail: cityofgrassvalley1901@gmail.com

JULY 2022

FROM YOUR CITY COUNCIL:

THANK YOU!!!!

The City would like to extend our gratitude to Rita Wilson & Margaret Mahaffey, as well as Walt Grzeszczyk and the OYCC Crew for their efforts in cleaning up our sidewalks on Highway 97! Their efforts made a huge improvement on the appearance of our town and are much appreciated!

UPDATES FROM PUBLIC WORKS

The City will be flushing lines and hydrants next month and residents may experience fluctuations in water flow during those times. This may also cause particles from your lines to accumulate in faucet screens and filters.

As a new state requirement, all hose bib and frost-free spigots need to have an NSF – 61 Certified Hose Connection Vacuum Breaker attached to the outlet. This is in accordance with OAR 333-061-0070 Section 6.

Visit our website for information on the upcoming ODOT Curb Ramps coming to Grass Valley.

WASTEWATER SURVEY

Included in this mailing is a Community Questionnaire in regards to your opinion of the proposed Wastewater System. **PLEASE** fill this out and return it to City Hall. You may mail it back with your monthly water payment or drop it in the silver payment box in front of City Hall. Your individual response will not be made public, and is only to give the City Council an idea of if our residents want to move forward with the project.

A NOTE FROM YOUR MAYOR

Hello Everyone,

Please note the wastewater survey included in this water bill.

It is important that you return these surveys so the City has a good idea how many residents are willing to hook into a sewer system should one be built.

The recent "One Stop" funding meeting that I participated in shows funding is available from a variety of sources such as grants, forgivable loans and low-interest loans. However, we won't be able to secure those funds without knowing how many hookups to anticipate.

We will be having another public meeting to discuss all the scenarios available to us, and provide everyone an opportunity to express their opinions and answer any questions anyone has. That meeting will take place on Thursday, September 15th.

I hope everyone is staying cool and enjoying your summer!

Mayor Meinrad Kuettel
